## SOULE SCHOOL VOLUNTEER OPPORTUNITIES 2007-2008

Each year the Soule School PTA offers a wide variety of volunteer opportunities with the goal of creating quality parent/family and faculty involvement in our school community. The many opportunities will accommodate a variety of schedules. They range from working in the classroom, at home, or as part of an after-school function. Studies have shown that parent involvement in their child's school allows the child a better overall educational experience.

Please review the attached list of opportunities and check off the ones that are of interest to you. You may also check off if you would like to be the chairperson for a particular event. If you do chair an event, folders are available for each past event which include a checklist and suggestions for future reference. PTA board members are always available for guidance and assistance throughout the events.

Return the completed lists by September 10, 2007. ***Please make sure to return the form with your name, phone #, etc along with your completed lists.*** If you have access to email, please print your email address clearly, this is often used as a form of communication.

The last page of this packet is a list of all the opportunities. We recommend you keep this at home and check off the opportunities you volunteered for. We hope it will be a reference for you in the future.

Please feel free to contact the Volunteer Coordinators, Joan Harper (603)898-5735 or Noreen Fantasia (603)898-3229 with any questions.

We thank you in advance for your support of the Soule School.
